Good morning,

I understand that the AUSA may have reached out to you all to discuss authentication of the records we have been discussing. Have you had a chance to discuss that with him? I am happy to jump on a call later today to discuss further.

Thank you,

Hi Andrew,

Sorry to bother you on a weekend. Do you have any update following our last conversation?

Has Mr. Gaddis been able to authenticate our documents?

AUSA Fergenson mentioned that he would be in NYC this week for testimony in another case. I would like to again request the opportunity to meet with Mr. Gaddis before he testifies in our case.

Thanks and best,

Eoin

Dear Andrew,

Many thanks for the call earlier today. As discussed, attached is a set of files that were produced in response to a search warrant to Google (Google Reference Number 44286812) that we expect to show Mr. Gaddis when he testifies next week. In order to ensure an efficient process, please ask Mr. Gaddis to confirm that the attached were retrieved from the Google Drives that were the subject of the search warrant and are authentic copies of the materials provided to the government.

You will note that for each of the documents, we've included the native file produced by Google as well as an exhibit stamped PDF copy of each file for ease of referring to specific pages when Mr. Gaddis is on the stand.

We would be happy to have a call with you or Mr. Gaddis to talk through any

questions.

Thanks and best,

Eoin
